1ST AUGUST 2025

TO WHOMSOEVER IT MAY CONCERN

This is to certify that Mr Advait Adheet Gogate visited Rashtriya Chemicals & Fertilizers (RCF) Ltd. on 1st August 2025 as an ‘Observer’ to understand RCF’s working. Apart from visiting RCF’s Corporate Office, he also visited various chemical plants located at Trombay and gained insights into the technical operations of one of the major chemicals and fertilizers unit of India. He studied the diverse product range of RCF and understood the production processes. His keen interest in the field of chemical technology and his inquisitiveness to seek in depth knowledge are commendable. I wish him all the best in his future endeavors.
